HOTEL PROVIDENCE CELEBRATES 10 YEARS IN BUSINESS WITH ITS 10TH CONSECUTIVE AAA FOUR-DIAMOND AWARD

Providence, Rhode Island (February 12th, 2015)—Hotel Providence celebrates a decade in business this year with one of the Hospitality Industry’s highest honors, the AAA Four-Diamond Award. “Receiving our 10th consecutive AAA Four-Diamond Award is the cherry on top of a remarkable milestone for our independent property,” said David G. Benton, General Manager. “Since opening our doors in February 2005, our team has never wavered in our committed to ensuring that every guest’s experience exceeds all expectations. This award acknowledges the hard work and daily dedication of our staff.” The coveted Four Diamond award is given each year to approximately three percent of the more than 32,000 AAA rated inns and hotels in America.

Hotel Providence, Providence’s only luxury boutique hotel, is one of only three **hotels in Providence** to be recognized with this distinction for 2015. The award celebrates the hotel as a superior establishment in all areas, from its refined and stylish accommodations, warm and friendly staff, to its spectrum of amenities. This combination of comfort, responsiveness, and attention to detail is evident in the hotel’s culture of

service excellence and make it an obvious choice for this distinctive award.

Hotel Providence, located in the center of downtown Providence's Arts and Theater district is just mere steps from unique boutique retail shopping, significant theatres, world-class educational institutions, bustling convention center, and a vibrant art scene. The hotel offers 80 spacious guestrooms, including 16 suites named for distinguished New England authors, and is home to a one-of-a-kind art collection. The building itself has been lovingly restored to preserve its turn-of-the-century flavor, and is set within a neighborhood designated on the National Register of Historic places. Combining the quiet elegance of its historic architectural charm, a passion for art, and amenities designed to anticipate the needs of today's discerning traveler; Hotel Providence is the perfect urban retreat when visiting Providence.

Added Benton, "Hotel Providence has grown up in this downtown community of independent businesses. From day one we knew our guests would appreciate our neighborhood and the special efforts that were underway to restore the area to its glory days. That was ten years ago and we are now a part of that history. It's thrilling to have a front row seat to so many wonderful changes and we're excited Hotel Providence will continue to be a part of it. Here's to many more milestones!"
